EcoPurá
Image Manipulation Program
NYSE: ECOIMP

Has your company recently dumped millions of gallons of crude oil and toxins into the ocean? Under assault from indigenous peoples for decades of carcinogenic pollution? Trying to avoid costly dredging of rivers? Are you inclined to believe that the public is too stupid to differentiate real environmentalism from greenwashing chicanery? Then EcoPurá is made for your corporation. A cleaner, eco-friendly public image is just a few clicks away. EcoPurá will green your company's image or your money back! No need for costly remediation plans or environmental assessment. Just sit back and let EcoPurá bamboozle consumers into thinking you care!
